Library Poetry

To Ask why we need
Libraries at all, when
There is so much
Information
Available elsewhere
Is about as sensible
As asking if
Roadmaps are
Necessary now that
There are so very
Many roads.

By —Jon Bing

There, among
Stories and plays
And poems, among
Paper and binding
And tomes, I find
You in the stacks,
Your gentle back
Stretched taut to reach
The book, and all
I can do is look
And appreciate the
Passion of finding
The very thing we
Need right now.

Books! Books!

I feel there's just one song to sing
-
And that's a song of books!
I can't think of another thing,
Except them and their looks.
All year companions, these bleak
soldiers
Never left my side,
Summer evenings, winter dawns-
With me they did abide.

Books! Books! Right and left!
Knowledge by the yard.
Books! Books! Build and heft,
And problems daunting hard.
Books with dates and books with
songs,
And books that make your cry.
Books that like great city throngs
Went ever surging by.

Awake it was a world of books!

BOOK REVIEW

Live Before You Die

- Neeraj Rai

The book makes us understand the concept of our mortality and tells us how its awareness is actually a gift to us. It also helps us to get rid of the fear of death and in the process, teaches us to hate less, love more, avenge less, forgive more, complain less appreciate more, talk less, and share more.

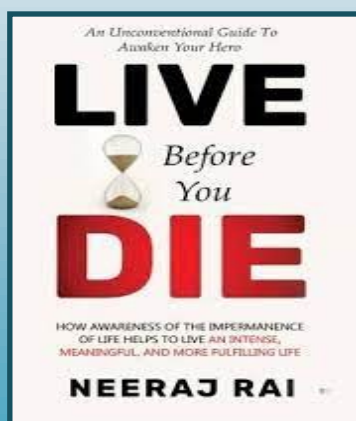

Live Before You Die is that the book stands in a different category altogether. Another thing to be appreciated here is that the book can be read by just about anyone irrespective of their reading levels.

It would be as helpful to a beginner reader. The concept is novel, and the pace is much faster than most other books in the genre.

In this book every chapter comes neatly divided into different sections. and Each of the chapters starts with a inspiring quote. Also the sections and subsections are kept short to ensure that the book is short and it retains the readers interest. And At the end of each chapter, a succinct but extensive summary helps summarize the major learning through bullet points.

What I love the most about reading Live Before You die is that it guides one in not just the professional, practical, and growth sphere but also the spiritual, philosophical, and overall self –improvement sphere.

Sakhi...

V.P.Kale

The most loved relation with a woman is that of a friend. We put met her in various situations, every now and then. We put has presented this “Sakhi” with her being, her feelings, her high thinking, her sensitivity; every time with a different dimensions. This sakhi has the capacity to take us beyond imagination, giving us immeasurable happiness. All the nine stories in this collection give us a new dimension for living. They give us pleasure, they reveal the secrets of living, they show us a new angle to make us happy while leading this otherwise monotonous life. They have the capacity to make us awake of the beauty of each moment, the happiness that each moment possesses. The author himself has a very clear vision about the relation, this clear vision is reflected through his sakhi, his simple, plain and transparent writing makes his sakhi our sakhi. But he never complains about it. He wants it in precisely the same way. We put himself says in one of his writings, A big tree which is capable of casting shadow should never question a way forever as to why has he chosen that tree for shadow instead of taking refuge under some other shadow!”

मराठी सारांशातून...

‘सखी’ पासून ‘झकासराव’ पर्यंत नऊ कथांद्वारे वाचकांना निर्मळ आनंद देणारा वपुंचा हा कथासंग्रह. ह्यात केवळ हा आनंदच मिळतो असे नाही तर जीवनाकडे कोणत्या दृष्टीने बघावे आणि आला क्षण कसा सुखद करावा ह्याचीही नकळत शिकवण मिळते. खुद्द लेखकाची अशी एक स्वच्छ दृष्टी आहे .

आणि हा दृष्टिकोन सहजगत्या मांडण्याचे कसब त्यांना साधले आहे म्हणून लेखकाची ‘सखी’ वाचकांचीही ‘सखी’ होऊन जाते. तसे झाल्याने लेखकाला दुस्वास वाटणे शक्यच नाही कारण तसे व्हावे म्हणून तर त्याने हा लेखनप्रपंच केला असावा ! नव्हे केलाआहेच !

वपुंचे एक वाक्य आहे - "सावली देऊ शकणार्या वटवृक्षानं विश्रांतीला आलेल्या पांथस्थाला बाकीची झाडं सोडून तुला नेमका मीच सापडलो का, असं विचारायचं नसतं !"
