Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	College has taken major initiative to complete the syllabus of every subject and to avoid academic loss of the students. 1)Use of ICT: Under the use of ICT the very first step taken by college was a training given to all staff members for the use of ICT to conduct the lectures and practical session in online mode through Mograsis Technologies. MograSIS is a comprehensive student information management platform developed from the ground up to fulfill the needs of independent schools/colleges/institutions as they guide their students. 2)Inhouse training sessions for all staff members were arranged in regular intervals for better acquaintance with the online system. College has also developed its own LMS(Learning Management System) with independent server through MOODLE platform. College has independent account with Microsoft Teams and Google Suit for conduction of regular lecture and practical. 3)College has tie - up with IIT Mumbai virtual Labs. This provides, an approximate version of the 'real-world' experiment. Providing measured data for virtual lab experiments corresponding to the data previously obtained by measurements on an actual system. Remotely triggering an experiment in an actual lab and providing the student the result of the experiment through the computer interface. This would entail carrying out the actual lab experiment remotely. 4)Some offline practical sessions were also conducted with limited number of students for project compliance and few demonstrations. College also followed participatory learning method by involving students for making e-content on their own domain. 5)Cooperative learning strategies were followed amongst student groups for specified set of experiments and curriculum. For monitoring and appraisal teachers are asked to submit links to respective HODs. 6)Quarterly meetings of parents and mentor-mentee was conducted for effective online teaching learning process. Online examination and evaluation were taken by using proctored examination software. To improve writing practice, students are encouraged to submit their assignments in writing mode to improve writing skills and programming skills in respective subject. Development of online examination methods for analytical understanding of students. 7)Assigning small research projects for better understanding of application-oriented skills of students. 8)Result analysis is done according to individual student along with program outcome and course outcomes. 9)Stakeholders feedback on curriculum, infrastructure, on subject teacher is collected and according to majors are taken. Also, the feedback on punctuality of teacher, spending time with students, domain knowledge of Teacher is taken. 10)Various staff members have started their own you tube channel for 24/7 availability of e-content for students. All the online lectures taken by all the teachers are uploaded on Moodle Platform for further reading and studies for the benefit of students. 11)All the teachers are encouraged to enroll for various online courses like SWAYAM and NPTEL for continuous upgradation of the teachers. Apart from academic compliance, College has made arrangement for the students regarding their psychological counseling needs. Mentors appointed for every 30 students who help them to cope up with the situation they were facing.
