Free Parking for Battery Powered Vehicle and Bicycle

We all are aware of the problems of pollution arising due to usage of petrol and diesel vehicles. The exhaust gases from the cars and bikes are increasing the problem of asthma, stress and also add to green house effect. We can take a step for sustainable environment by using bicycles and battery powered vehicles. The college administration has facilitated **Free Parking** for bicycles and vehicles in college campus.

This will help to create awareness among all stakeholders and students as well as balance the environment to some extent.
