

Faculty of Commerce
Industrial Report 2021-2022

Introduction:-

We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work. Industrial visits are arranged by colleges to students with an objective of providing students functional opportunity in different sectors like IT, Manufacturing and services, finance and marketing. Industrial visit helps to combine theoretical knowledge with industrial knowledge.

Objectives: -

1. Industrial visit provides student a practical perspective on the world of work.
2. Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
3. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.
4. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.

The faculty of commerce organized the workshop on 22nd December, 2021 for M.com.students to fulfil above objectives. More than 100 students were attended it. VIRTUAL INDUSTRIAL VISIT: PARCHURE ENGINEERS PVT. LTD. Mr. Anand Parchure (MD) was conducted this visit along with his colleagues. During the visit he had focused on- various procedure of industrial process, global marketing, new trends in GST return filing, managerial skills & qualities of a good businessman etc. He also explained the importance of social media in business, working methods and employment practices. The Students also took part into the session by asking the query related to the industrial environment.

Dr. Priyanka Bhamare worked as Coordinator of this industrial visit.
